

Financial Assistance Instructions for the 2023-2024 Membership Fee

Financial assistance for girls is available to pay a portion (up to \$15.00) of the \$30.00 annual membership fee. Limited funds are assigned yearly to assist Girl Scouts of Ohio's Heartland families in this way. In every instance the council expects that the amount requested reflects the true need of the family.

Financial assistance for adults in the troop leadership volunteer position is also available to pay a portion (up to \$10.00) of the \$25.00 annual membership fee. Again, the amount requested should truly reflect the need of the volunteer.

Financial assistance is not granted to entire troops.

Please return this signed form, your partial payment, and completed membership registration form to your girl's troop leader, the service unit registrar, or your membership manager (MM).
