PATCH PROGRAM

# Moon Patches

Camping is a great way for girls to explore leadership, build skills, and develop a deep appreciation for nature. Did you know you can earn moon patches when you camp under the stars? The Moon Patch Program tells how many nights you have camped overnight in an outdoor setting as an Ohio's Heartland Girl Scout.

You can earn your moon patch by spending ten nights camping. After you earn your initial moon patch, you can earn mini moons to add around the outside of your patch. One mini moon equals 10 nights of Girl Scout camping. Keep counting! How many moons can you get?

Girl Scouts of Ohio's Heartland qualifying overnights include:

- Resident Camp
- Troop Camping
- Events like service unit camporees and "Pal and Me" weekends

*Overnights that do not qualify for this program include but are not limited to camping with family, church or 4-H camp, and the COSI Camp-In.*

*Moon counting is cumulative.*
