

Many corporate partners donate monetarily on behalf of their employees or employees' spouse volunteer time. Each corporation has a different name for their program, but at the Girl Scouts of Ohio's Heartland Council we call these Volunteer Rewards Troop Donations.

Volunteers who wish to receive these donations should fill out this form in order to receive rewards for their volunteer time. Funds will be sent to Troop leaders pending approval by your Community Development Manager and payment by your corporate partner.

Process:

- Troop leaders or other volunteers send the attached form to the Girl Scouts of Ohio's Heartland.
- The entire process may take up to **four to six months** from the time you submit the application to the Girl Scouts for Ohio's Heartland Council until the time that your troop receives a check. This process may take longer depending on how frequently your corporate partner processes volunteer rewards applications.
- Applications are processed in the order they are received. You will receive a confirmation email when we receive your completed form.
- If you have questions on the status of your Volunteer Reward Troop Donation, please contact:
