How it works

Once you or your troop submits a video through the Google Form, you will be entered into the drawing pool. All names and troop numbers will remain in the pool throughout the entire cookie program, so there is no need to submit multiple times! If your name or troop number is drawn, you will no longer be in the drawing pool, giving others the opportunity to win!

- All individual entries will be included in a weekly drawing for the duration of the 2022 Girl Scout Cookie Program. Every Friday from January 2 to March 20 a winner will be announced and will receive a $25 program card celebrating celebrating your efforts to engage with customers on your individual Digital Cookie site.

- All troop entries will be included in a monthly drawing for the duration of the 2022 cookie program. On the last Friday of January, February, and March 2022 a troop will be drawn to receive a $75 reward card celebrating your team work to engage with customers on your troop's Digital Cookie site!

Please note as this is a multiple drawing contest, the earlier you enter your video, the more chances you have to win!
