## Troop Choice Reward

Your troop will work on their decision-making skills while choosing whether to earn the 2025 Patch by having each Girl Scout complete a Cookie Bingo or to create their own guidelines - each Girl Scout will receive their patch as soon as they earn it!

### Option 1: Cookie Bingo

Mark off each square as you complete it and earn the 2025 patch when you've completed a row, column, or diagonal! Find a printable bingo card at [gsoh.org/cookieresources](https://gsoh.org/cookieresources) or scan the QR code!

### Option 2: Create Your Own

Work together as a troop to decide what three steps everyone will complete to each earn the 2025 Patch!
