

Embrace Possibility with the 2024 Fall Product Program!

Nuts, Candy, & More! • Fri., Sept. 27- Sun., Oct. 20

How It Works

Girl Scouts will become entrepreneurs while motivating family and friends to support their journey by purchasing tasty treats and magazines.

1. In-person using paper order cards, collecting payments, and delivering orders to customers a few weeks later.
2. Online by inviting friends and family to place an order. Customers pay online and can choose to have their purchases shipped directly to them or delivered by the Girl Scout.

Your Girl Scout Will Learn

Your Girl Scout will practice the skills they'll need to develop as a leader in their life, in business, and the world.

goal setting

decision-making

money management

people skills

business ethics

Your Girl Scout Will Earn

They'll also earn special patches and rewards and help raise funds for their troop to use right away or plan for future adventures!
